In 2016 is moved to Los Angeles from Chicago.

4. ~~wanted~~ to live closer to my dad's family -

who had just dropped out of graduate school and was
~~in the area~~ and I rented a house in Los Angeles and
 same for (Also I wanted to be close to the support

are community and the ~~the~~ special and —
~~are friends~~ introduced

shortly after I moved some friends invited me to an
of a service to learn abt IFA started from the
when ever dinner the told me how IFA was based

in Nigeria and was ~~to~~ a base for the diaspora
transferred to the Caribbean ~~and~~ ~~the~~ ~~it~~ had left
visited

Friends invited me to go to them to an IFA service in Los Angeles
I didn't know much about IFA except that it
was the root of dangerous Africans of / and

was the root of ~~danger~~ Adversities of "and

but for many years I have been in 'Haitian' Yards

and ~~the~~ ^{the} ~~engine~~ ^{engines} ~~that can~~ ^{enter} ~~enter~~ ^{up} ~~and~~ ^{and}

It was many years ago, but my mother had had a close rel. w/ a young Berkeley doctor

had a close rel. w/ a young Stanford doctor

on an art trip in Havana it had been in love w/ a young
back introduced me to the subject

Harker doctor (in the 50s) who introduced me to the spirit
and the 20s

They send that 15a use the same old technology of energetics

I met ~~Dave~~ ^{David} after I moved to Los Angeles from Chicago, some friends from the T Bone community
